Recently we've just had 2 really cool events 😊. The nativity 🐏 where the whole Sunday school got to have a go and the super awesome Sunday school Christmas parties 🎅. We had loads of fun playing cool games 😄 such as pool or table tennis 😊. We also ate the most delicious food 🍷. We got to make our very own amazingly awesome pizzas 🍕. Look out for the cool events in 2011.

I like to have fun 😊. At Windsor Methodist church you can make new friends do fun activities and generally enjoy yourself 😊. It's not really just reading the bible, it's about talking about important things and doing fun activities 🌟. We also have fun Christmas and Summer parties where you just play games and eat loads of food 🍷🍕🍷. So if you're ever bored on a Sunday morning then pop down and visit us 🚌 😊
